# WCSA County Championships 2023 - Meet Programme

## Welcome

Worcester County Swimming Association is proud to present this year's County Swimming Championship Meet. Good luck to all swimmers and those who are chasing the Regional and National Qualifying times. Thank you to all helpers & officials in advance for ensuring that we are able to run this competition.

Regards

*WCSA*

Worcester Swimming Association

## Greetings from the President

Hello and welcome everyone to the 2023 Worcestershire Swim England Championships which have evolved over the last 97 years to reach the format and standard you are familiar with today. This is of course a result of increasing swimming excellence but also as a result of our swimming background support.

I must praise our many volunteers who turnout in all weathers and times of day, many of who do not have children swimming at these events, to support the development of the sport, our network of organisers, officials, recorders and background staff without whom these events would not happen.

We are always in need of new blood to assist with the support and care needed for growth of swimmers in the future.

Please speak to any of our officials if you would like to become an integral part of 'Team Worcestershire'.

Historically, Worcestershire swimmers and para swimmers have used these Championships as a springboard towards National, International, Commonwealth, World and Olympic successes. The exciting and unknown future starts here, today. I hope that you all gain personal satisfaction from your endeavours during these Championships.
