Dear colleagues

I have arranged training sessions in January as listed below.

Support from the members of the Officials Committee would be welcomed

The modules to be covered are: - Contemporary Issues & FINA Rules update 2017 and I will be running training sessions as listed below in January.

These will be as follows:-

1. Jan 7th (Sunday) 10am - 12 noon at The Three Pears, Wainwright Way, Worcester. WR4 9FA (Nr J6 on M5)
2. Jan 11th (Thursday) 7:30pm - 9:30pm at Quinton Methodist Church, Ridgeway Avenue, Halesowen, B62 9AU

If attending the Halesowen session, DO NOT use the entrance from the Car Park, but walk round the front of the building to the next doors.

Please endeavour to attend as there are no further sessions planned. If you cannot attend then I may be able to provide a link to Institute of Swimming who run the on line CPD.

I would be grateful if you could let me know your intentions.

IN ADDITION *could you please update **me** on your progress towards assessment as there will be assessment sessions arranged during the first few months of 2018. If I do not know that you are ready then I cannot invite you. Please contact me direct, do not wait for your club officials organiser to do it for you.*

Kind regards

Roy Jones
