Welcome

Worcester County Swimming Association is proud to present this year's County Swimming Championship Meet. Good luck to all swimmers and those who are chasing the Regional and National Qualifying times. Thank you to all helpers & officials in advance for ensuring that we are able to run this competition.

Worcester County Swimming Association

Greetings from the President

Hello and welcome to the 2024 Worcestershire Swim England County Championships.

These championships have evolved over the last 98 years to reach the format and standard you are familiar with today – may I take this opportunity to congratulate all swimmers for getting to these Championships and wish them all the best of luck.

Whilst it is the swimmers competing in the water on the day, none of this can happen without the support of family, friends and a whole “team” behind them. My thanks therefore go to the full network of volunteers, not just those you can see poolside, involved at club and county level to develop competitive swimming throughout Worcestershire – it is only with these volunteers that events like this can happen.

We are always in need of new blood to assist with the support and care needed for the growth of swimmers in the future so if you can offer any help, either poolside or with the administration of your club or county, please speak to a committee member at your club and they will be able to point you in the right direction.
