Welcome

Worcester County Swimming Association is proud to present this year's County Swimming Championship Meet in our Centenary Year! Good luck to all swimmers and those who are chasing the Regional and National Qualifying times. An enormous thank you to all helpers & officials in advance for ensuring that we are able to run this competition.

Kindest Regards

WCSA

Worcester County Swimming Association

Greetings from the President

I am really pleased to welcome you to the 2026 Worcestershire Swim England County Championships. This year Worcester County Swimming Association are proud to be celebrating their 100th birthday! Over the course of the year, we will be celebrating our Centenary Anniversary, so look out for details of events.

Congratulations to all swimmers for achieving the qualifying times to reach the County Championships – I wish you all the best of luck. May you continue to aspire to your swimming dreams during 2026, whatever they are.

I would like to extend my heartfelt thanks to everyone within the County who work tirelessly to ensure that our members can continue to grow and enjoy success. It takes a small army to run a swimming club and swimming events such as these, and without the contributions from a wide range of people these successes would not be possible. From those that you see on poolside to those who work behind the scenes, their united efforts are invaluable to Worcester County and our clubs.

If you are able to offer any help, either at club or county level, please speak to a committee member at your club, who will be able to point you in the right direction.
